

CALL FOR VOLUNTEERS
2019 ASTOR TROPHY TOURNAMENT
August 24-September 1, 2019

The Royal Colwood Golf Club has been selected as the Host Club for the **2019 Astor Trophy**, and will partner with **Golf Canada** and **British Columbia Golf** to organize and conduct this tournament.

The **Astor Trophy** is an international women's team golf tournament between elite amateur golfers from Great Britain/Ireland, Australia, South Africa, New Zealand and Canada. This tournament has been held every four years since 1959.

Canada has hosted three times - Vancouver, Hamilton and Winnipeg. In the 2015 tournament, held in Adelaide, Australia, three of the five players on the Canadian team were from British Columbia, including Victoria's own, Naomi Ko. Canada has won this event twice, in 1979 and 1987.

This event is a perfect fit to the Women in Golf Charter unveiled in May 2018, that addresses the global drive to increase the number of women and girls participating in golf, which in turn will hopefully provide more opportunities for women to work within the golf industry.
